Re: Diane Poland v. Computer Sciences Corp.,
C.A. No. 04-217 (GMS)

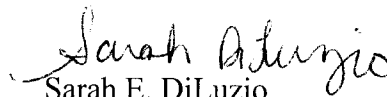

Dear Judge Sleet:

Enclosed please find a courtesy copy of Defendant's Proposed Pretrial Order, submitted in accordance with the Scheduling Order in the above-referenced case.

The Proposed Pretrial Order, and its attached schedules, was prepared by Defendant, without contribution from Plaintiff, with the exception of Schedules A and B. It is Defendant's understanding that Plaintiff intends to file a motion to request that Plaintiff be permitted to postpone filing any other matter required on her part for the Pretrial Order, until after the Court has ruled upon Defendant's Motion for Summary Judgment, which is currently pending. (D.I. 40.) Defendant has agreed that it will not oppose Plaintiff's motion, provided, however, that Defendant is not prejudiced in any manner thereby, and that Defendant does not waive the right to object to any portion of Plaintiff's pretrial submission (including, but not limited to, any exhibit or witness identified therein) and/or to supplement Defendant's pretrial order and/or attached schedules in response thereto.

Counsel are available at the Court's convenience if Your Honor has any questions regarding this matter.

Respectfully,

Sarah E. DiLuzio
(DE Bar I.D. 4085)
